TREASURE HUNT

Rules and Regulations :

1. One representative from each qualified team must participate in this round.
2. The organizers will display 10 different words for 10 seconds.
3. Participants must carefully observe and memorize the displayed words within the allotted time.
4. After the words are removed, each participant will be blindfolded and given one minute to draw representations of as many remembered words as possible.
5. Participants must draw on the provided paper using the materials supplied by the organizers.
6. Writing the words, spelling them out, using letters or numbers as clues, or communicating verbally with teammates during the drawing phase is prohibited.
7. Once the drawing time ends, the blindfold will be removed and the drawings will be presented to the respective teams.
8. The remaining team members must identify the words represented by the drawings.
9. Teammates must not receive hints or assistance from the drawing participant.
10. Only correctly identified words will count toward the team's final score.
11. Teams will be ranked based on the combined performance of their representative's drawings and their teammates' correct identifications.
12. Only the top 5 teams will qualify for the next round.
13. Any attempt to cheat or violate the rules may result in disqualification.
14. The organizers' decision regarding scoring and qualification will be final.
